

Stronger Futures Start with Dual Enrollment

**Ease Your Students' College + Career Journeys —
and Help Them Save \$1000s!***

Dual enrollment enables high schoolers to get a head start on college credit — all while paying \$0 in tuition and fees. And in the Inland Empire/Desert region, students can explore college majors and careers risk-free.

Dual Enrollment: The Smart Choice

Dual enrollment helps students:

- Get a jump start on earning college degrees.
- Avoid thousands in future tuition costs.
- Excel on job, scholarship, and college applications.
- Explore majors and careers early, without risk.

70% of all future jobs
will require more education than
a high school diploma. Give
your students a vital head start
with dual enrollment.

Our 12 community colleges offer cutting-edge training to high schoolers in a wide variety of in-demand industries:

- Auto tech
- Pharmacy
- Criminal justice
- Digital photography
- Film production
- Culinary arts
- Business
- Information technology
- Sports medicine
- Welding
- Computer programming
- And more!

Each of our colleges offers high-touch support to make it easy for students to dual enroll and succeed.

**Each college credit completed in dual enrollment can save families hundreds – if not thousands – of dollars in tuition fees.” —Equal Opportunity Schools
