

# Applying Is Easy, and We're Here to Help!

## Easy Application and Enrollment Guide for Career **READY** Programs

The Inland Empire/Desert's 12 community colleges have streamlined application and enrollment processes, and robust help is available every step of the way.

### How to Apply

All of our 12 colleges use the same application form through OpenCCC, making it a cinch to apply.

1. Visit [readysetcareer.org/apply](https://readysetcareer.org/apply) and click on the "apply now" button for the college you wish to apply to.
2. Create an **OpenCCC** account and fill out a simple application.
3. Run into any problems? Contact your future college's admissions team for help.

### Financial Aid Made Easy

Career education students are eligible for financial aid, and first-time, full-time college students who live in California may qualify for free tuition.

**To receive financial assistance, be sure to fill out a FAFSA. It's free and easy!**

### Registration Checklist

While each college has a slightly different onboarding process, you can expect to do the following:

- Please ensure that you complete and submit your application form.
- Submit official high school and any college transcripts.
- Complete any needed placement exams.
- Complete your financial aid application (see below for more).
- Submit necessary health forms.
- Set up your new student college portal account and check in regularly. You might want to set your student email to forward to your personal email to keep up to date.
- Register for classes.
- Complete your orientation.
