

# Get Your Students **READY** for In-Demand Jobs!

## **Job Demand is High. Here's How Students Can Prepare!**

Help your students be college- and career-ready by learning the latest skills in California's most in-demand industries.

**The Inland Empire/Desert Region is one of the largest and most rapidly growing economies in the nation**, similar in size to metro areas such as Houston and Washington, D.C., and growing twice as fast as the rest of Southern California!

Here's how your students can take advantage of the many educational opportunities in the region to be **career READY**:

### **Advanced Manufacturing**

- CNC Machine Tool Programmers \$78,750 / \$37.86 hourly
- Welders, Cutters, Solders & Braziers \$57,940 / \$27.86 hourly

### **Business and Entrepreneurship**

- Accountants & Auditors \$96,360 / \$46.33 hourly
- Real Estate Sales Agents \$62,420 / \$30.01 hourly

### **Energy, Construction, and Utilities**

- Construction Managers \$129,000 / \$62.02 hourly
- Heating, Air Conditioning & Refrigeration Mechanics and Installers \$65,290 / \$31.39 hourly
- Electricians \$76,540 / \$36.80 hourly

### **Health**

- Registered Nurses \$140,330 / \$67.47 hourly
- Dental Hygienists \$121,080 / \$58.21 hourly

### **Information and Communication Technologies (ICT)**

- Information Security Analysts \$140,660 / \$67.63 hourly
- Computer Network Support Specialists \$79,520 / \$38.23 hourly

**And much, much more!**
